FASHIONING POSSIBILITIES

SERVICES

COATING, PAINTING & FINISHING SERVICES

Industrial Protective Coating

Durable coating solutions designed to protect industrial structures and equipment from harsh environments, corrosion, and wear.

Painting and Spray Finishing

High-quality painting and spray finishing services that deliver smooth, even finishes for a wide range of surfaces and applications.

Building and Architectural Painting

Professional painting services for interiors and exteriors that enhance, protect, and maintain the appearance of commercial and residential spaces.

Putty, Texture & Waterproofing

Professional surface preparation, decorative texture finishes, and reliable waterproofing solutions for interior and exterior walls.

Decorative Finishes

Custom decorative finishes that add texture, character, and style to walls and surfaces, tailored to elevate any space.

— SERVICES

ROAD AND INDUSTRIAL MARKING

Road Marking

Application of road and pavement markings for traffic guidance, lane identification and clearly defined movement areas

Parking and Line Marking

Marking of parking bays, directional arrows, walkways and designated zones in suitable commercial and industrial premises.

Industrial Floor Marking

Clear floor lines and zone markings to help organize work areas, pedestrian routes and operational spaces.

SERVICES

INDUSTRIAL SERVICES

Industrial Cleaning

Cleaning of industrial floors, equipment and suitable work surfaces to remove dirt, dust, grease and operational residue.

Surface Preparation

Preparation of surfaces before painting or coating, helping create a clean and suitable base for finishing work.

Pressure Washing

Pressure washing for appropriate exterior surfaces and hard-standing areas to help remove stubborn dirt and buildup.

Industrial Manpower Supply

Supply of skilled and semi-skilled personnel to support industrial cleaning, surface preparation and related project requirements.
